

School Accountability Report Card Reported Using Data from the 2019–2020 School Year

California Department of Education

For South Bay High School

Address: 4025 West 226th Street Torrance, CA 90505

Principal: Timothy M. Chandler

Phone: (310) 373-4556

Grade Span: 6-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Throughout this document the letters DPL refer to data provided by the LEA, and the letters DPC refer to data provided by the CDE.

School Description and Mission Statement (School Year 2020–2021)

Narrative provided by the LEA

South Bay High School, WASC accredited since 2007 and through 2022, creates a culturally competent and sensitive environment for students with severe psychiatric challenges which impede their ability to meet the educational challenges of middle and high school, so that students can develop skills and strengths academically and socially. Staff support, an engaging academic curriculum, use of data and standardized measures of achievement, provide South Bay students with the building blocks to achieve positive change, personal resiliency and lasting wellbeing to successfully rejoin their communities.

South Bay High School is located within Star View Adolescent Center, a locked Level 14 residential facility, and along with South Bay High School, offers a multidisciplinary program combining psychiatric crisis intervention, high quality residential care, educational services, mental health treatment, and rehabilitation. Unique in California, our integrated program eliminates the need to admit children in acute psychiatric crisis to a hospital potentially leading to lost residential placement. Highly individualized, innovative, and flexible, our approach gives adolescents the opportunity to succeed. Staff actively encourages family and foster families' participation in treatment. We also provide a range of services to help students as they transition to community living.

A. Conditions of Learning**State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

English Language Arts/Literacy (grades 3-8 and 11)	DPC	N/A	DPC	N/A	DPC	N/A
Mathematics (grades 3-8 and 11)	DPC	N/A	DPC	N/A	DPC	N/A

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education Programs (School Year 2019–2020)

Students are prepared to enter the workforce through curriculum in basic skills and consumer math, the facility's Independent Living Program (ILP) and vocational class offerings which allow students the opportunity to develop skills necessary for the workforce. In addition, select students may participate in on-site work experience opportunities with support provided from the Department of Rehabilitation and the mental health treatment services program.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020–2021)

Parental and family involvement is important and welcomed, including IEP meetings held within 30 days of enrollment and annually thereafter, as well as open houses and programs facilitated by mental health and educational staff. School staff is available for parent conferences which are scheduled through the school secretary at 310-373-4556 ext. 132. In addition, Star View Adolescent Center employs a full-time parent partner to ensure that parental access and input regarding a child's educational experience can occur.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017– 2018	School 2018– 2019	District 2017– 2018	District 2018– 2019	State 2017– 2018	State 2018– 2019
Suspensions	0	0	0	0	0	0
Expulsions	0	0	0	0	0	0

Suspensions and Expulsions for School Year 2019–2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019– 2020	District 2019– 2020	State 2019– 2020
Suspensions	0	0	0
Expulsions	0	0	0

Note: The 2019–2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019–2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–2020 school year compared to prior years.

School Safety Plan (School Year 2020–2021)

South Bay High School students are supervised 100% of the day, and school staff monitor students during all school activities. A school safety plan covers the actions school personnel should take in emergency situations. All classrooms and school offices are connected by an overhead intercom.

South Bay High School utilizes an efficient fire and disaster protections program that requires long-range planning. A program has been developed to protect the students, staff and visitors from emergency situations. The conduct and action of trained personnel during

the first few minutes of an emergency may not only save lives and property but will also ensure the security of our livelihood. In instituting this program, administration and supervisors will be responsible to ensure that all employees are completely informed and trained, and that each employee knows his/her duties or responsibilities in the event of a fire, disaster, or other emergency. Fire Drills occur monthly and an earthquake preparedness drill occurs annually.

Key elements of the school safety plan:

1. *A safe and orderly environment conducive for learning.*
2. *Disaster procedures*
3. *Sexual Harassment policy*
4. *Child Abuse reporting procedures*
